[Dual Enrollment Contract](#)

[Upload Your Dual Enrollment Detail Schedule \(Valencia, UCF, UF\)](#)

The Contract

- I am required to communicate with my school counselor after registering for courses each semester to determine if the appropriate courses needed to meet OCPS high school graduation requirements have been selected.
- I am required to maintain a cumulative 3.0 GPA (WHS) and a 2.0 Valencia GPA.
- I will check both my Windermere High School email and Valencia Atlas email daily.
- I must take 7 courses each year unless I qualify and am taking advantage of senior privilege. (English, Math, Science and Social Studies) Graduation requirements must be taken by Fall of senior year.
- I must upload a copy of my student detail schedule to the link above (I understand that I do not pay for tuition and books out-of-pocket).
- I understand that HOPE, Algebra I, Geometry (which are required to graduate from high school) cannot be taken at Valencia, UF, or UCF.

The Contract Continued

- I will read the ATLAS instructions for obtaining books and understand the protocol may change each semester. If I miss the opportunity for books within the semester, I understand I must purchase my own books with no reimbursement.
- I am required to return my books at the end of each semester to my counselor. Non-compliance will result in a book obligation on my account and non-issuance of a book voucher for the following term.
- Inform my guidance counselor if I plan to withdraw from a course (I understand that a “W” can potentially effect admission status, future financial aid and graduation status)
- I am required to provide my own transportation and be off campus when not enrolled in a Windermere course.
- If I am under the age of 16 and attending Valencia, my parent/guardian must be present on campus.
- Meet with an advisor to determine the appropriate courses needed to meet AA or AS degree requirements and register for an AA if completing prior to HS graduation.
- If I am continuing at Valencia after HS graduation, I must change my status from Dual enrolled to Degree-Seeking student.

Things you need to know

- It is IMPORTANT that you inform your counselor about any grade concerns or if you have to drop/withdraw from a class before the add/drop and withdrawal period is over.
- SENIORS ALL graduation required course MUST be completed in the FALL of your senior year. You cannot take those courses in the Spring.
- AP English Lang and Test scores.
- There is not course recovery for DE courses if you do not pass the class
